

STEAM & HOT WATER TRAINING

LEARN HOW TO OPTIMIZE AND IMPROVE YOUR SYSTEM

Explore steam basics, trap operation and best practice applications in our Steam & Hot Water seminars. These sessions are offered on back-to-back days so you can attend one day or both depending on your needs.

These seminars begin with the basics, move on to best methods for installations and application, and conclude by exploring ways to maximize the return on your energy investment. See firsthand how utility systems operate throughout the training with our functional and cutaway equipment.

Participants will leave with a better understanding of how to identify, measure, and eliminate system energy losses. Additionally, we will take an in-depth dive into the advantages of proper piping practices that are critical to system efficiency.

FUNDAMENTALS OF STEAM SYSTEMS

- Steam & Steam Quality
- Steam System Piping Best Practices
- Steam Trap Operation
- Pressure Reducing Valve
- Condensate Return Solutions

INDUSTRIAL & INSTITUTIONAL UTILITY BASICS

- Hot Water Generation, Distribution & Point of Use
- Heating & Cooling Coils
- Fundamentals of Flow Measurement
- Humidification Basics

REGISTRATION

*Each session is \$250 to attend, and registration is required.

COURSE SCHEDULE

Below you will find the dates, times, cost, and locations for various trainings. These sessions are hosted in-person at the address listed below. Courses are **\$250** to attend per day, **registration is required**.

COURSE NAME	DATES	TIME	COST	ADDRESS
Fundamentals of Steam Systems	OCTOBER 4, 2022	8AM-5PM	\$250.00	Galloup 23350 15 Mile Rd Clinton Township, MI 48035
Industrial & Institutional Utility Basics	OCTOBER 5, 2022	8AM-5PM	\$250.00	
Fundamentals of Steam Systems	NOVEMBER 1, 2022	8AM-5PM	\$250.00	Galloup 3838 Clay Ave SW Grand Rapids, MI 49548
Industrial & Institutional Utility Basics	NOVEMBER 2, 2022	8AM-5PM	\$250.00	
Fundamentals of Steam Systems	DECEMBER 6, 2022	8AM-5PM	\$250.00	Galloup 23350 15 Mile Rd Clinton Township, MI 48035
Industrial & Institutional Utility Basics	DECEMBER 7, 2022	8AM-5PM	\$250.00	
Fundamentals of Steam Systems	JANUARY 31, 2023	8AM-5PM	\$250.00	Galloup 23350 15 Mile Rd Clinton Township, MI 48035
Industrial & Institutional Utility Basics	FEBRUARY 1, 2023	8AM-5PM	\$250.00	
Fundamentals of Steam Systems	FEBRUARY 28, 2023	8AM-5PM	\$250.00	Galloup 3838 Clay Ave SW Grand Rapids, MI 49548
Industrial & Institutional Utility Basics	MARCH 1, 2023	8AM-5PM	\$250.00	
Fundamentals of Steam Systems	MARCH 7, 2023	8AM-5PM	\$250.00	TBD Cincinnati, OH
Industrial & Institutional Utility Basics	MARCH 8, 2023	8AM-5PM	\$250.00	
Fundamentals of Steam Systems	APRIL 4, 2023	8AM-5PM	\$250.00	TBD Toledo, OH
Industrial & Institutional Utility Basics	APRIL 5, 2023	8AM-5PM	\$250.00	
Fundamentals of Steam Systems	MAY 2, 2023	8AM-5PM	\$250.00	TBD Lexington, KY
Industrial & Institutional Utility Basics	MAY 3, 2023	8AM-5PM	\$250.00	
Fundamentals of Steam Systems	JUNE 6, 2023	8AM-5PM	\$250.00	Galloup 23350 15 Mile Rd Clinton Township, MI 48035
Industrial & Institutional Utility Basics	JUNE 7, 2023	8AM-5PM	\$250.00	
Fundamentals of Steam Systems	AUGUST 1, 2023	8AM-5PM	\$250.00	TBD Cleveland, OH
Industrial & Institutional Utility Basics	AUGUST 2, 2023	8AM-5PM	\$250.00
